EDUCATION

Indian Institute Of Information Technology (IIIT-A) , Allahabad B.Tech in Information Technology	<i>August 2018 - Present</i> CGPA: 7.64/10
Govt Subhash Higher Secondary Excellence School, Bhopal 12th, Board of Secondary Education, Madhya Pradesh.	<i>July 2017 - April 2018</i> Percentage: 87.20
Govt Subhash Higher Secondary Excellence School, Bhopal 10th, Board of Secondary Education, Madhya Pradesh.	<i>July 2015 - April 2016</i> Percentage: 93.16

PROJECTS

UDAAN

Used Technologies : JavaFX, Java

As a part of course project(3rd semester, team of 4), under course Object Oriented Methodology, we made a desktop based application where a user can search flights between source and destination, see seat availability at a particular date and book the flight tickets.

Dijkstra Algorithm Visualization Using JavaFx

Used Technologies : JavaFX, Java

As a part of B. Tech course project(3rd Semester), under the course Object Oriented Methodology. I developed a GUI based interface where user can add vertex and edges between them by using the mouse, after making a weighted graph then he can select any pair of vertex and the interface will visualize the shortest path between them.

TECHNICAL STRENGTHS

Relevant Coursework	Data Structures, Algorithms, Object Oriented Methodology, Database Management, Operating Systems, Networking.
Programming Languages	C, C++, Java (beginner level), Python (beginner level)
Web Technologies	MySQL, HTML, CSS
Software & Tools	MS Office, Latex, Visual Studio, IntelliJ IDEA

ACHIEVEMENTS

- Secured All India **99+ percentile** in JEE Main 2018.
- Secured **Global 17th** rank in June Lunchtime 2021 [Codechef Rating Leaderboard](#).
- Awarded with **MMVY** scholarship by MP Govt for academic excellence.

COMPETITIVE CODING PROFILES

- **Codechef** : [thor_giri](#) Highest Rating **1685**
- **Codeforces** : [Ashwathama1543](#) Highest Rating **1411**
- **Leetcode** : [anish6263](#) Highest Rating **1681**
