EDUCATION

B.Tech (IT)
Indian Institute Of Information Technology, Allahabad
📅 July 2018 – Present
- CGPA: 7.74

Class 12th
Kendriya Vidyalaya No. 2, Colaba, Mumbai
📅 2016 – 2017
- Percentage: 93.4

Class 10th
Kendriya Vidyalaya No. 2, Colaba, Mumbai
📅 2014 – 2015
- CGPA: 9.4

PROJECTS

Cricket Shots Classifier
- Created an application using CNN to classify images of different cricket shots into 6 different categories i.e, Cut Shot, Cover Drive, Straight Drive, Pull Shot, Scoop Shot, and Leg Glance.
- Achieved F1 score of 92% on the given testing dataset.
- Languages and Technology: Python | Jupyter Notebook

University Management System
- Created an application that includes management of marks, admission, attendance and other details of students and teachers.
- Languages and Technology: JavaFX | Scene Builder | MySQL

Automated Checkers Game
- Created an checkers game which can play optimally against any of its rival according to the difficulty level selected by the user in single player mode.
- Also includes two player mode.
- Languages and Technology: Python | Jupyter Notebook

POSITION OF RESPONSIBILITY

- Member - (2019-2020): IIITA Info Communication and Incubation Center
- Member - (2019-2020): IIITA Sports Club (SPIRIT)
- Served in NCC - (2018-2020).
- Member of the college football team in Inter IIIT sports meet - (2019 and 2020).
- Organized Futsal in Effervescence - 2018.

SKILLS

- **Programming Languages** :
  Intermediate - C, C++
  Beginner - Java, Python
- **Programming Tools** :
  NetBeans, VS Code, IntelliJ, CodeBlocks, Android Studio, Jupyter Notebook
- **Database Management** :
  MySQL
- **Relevant Coursework** :
  Data Structures and Algorithms, Object Oriented Methodologies, Database Management, Operating Systems, Computer Networks
- **Competitive Programming**

CODING PROFILES

- **CodeChef** – Current Rating: 1717
  Profile Link- ankitd02
- **HackerEarth** – Highest Rating: 1554
  Profile Link- Greedygeek
- **CodeForces** – Highest Rating: 1399
  Profile Link- greedygeek
- **InterviewBit**
  Profile Link- ankit-das_567
- **LeetCode**
  Profile Link- dankit136

ACHIEVEMENTS

- **Global Rank 836** among **6635** participants, in CodeChef March Lunchtime 2021 (div 3).
- **Rank 768** among **9952** participants, in HackerEarth March Circuits 2020.
- **Rank 460** among **1804** in HackerEarth February Easy 2020.
- **Rank 3** among **50+ teams** in Aparoksha 2019 coding competition (group of 2).

INTERESTS

- Playing Chess and Cricket
- Reading books
- Writing blogs
- Listening to music
